THURSDAY, FRIDAY, AND SATURDAY,

## AN EXTRAORDINARY SALE,

during which we will sell thousands of yards of all kinds of materials and thousands of pairs of Hosiery, Gloves, and other articles of wear, almost all special purchases, away below regular prices, bought for hard spot cash, and which we will offer at prices far below cost of production. The sharp, wide-awake, economical, money-saving people will be on hand. Their only preference is a Good Bargain. One store is as good as another to them if they get a bargain. That is what they want; that is what we give. We want to arouse the indifferent from their lethargy and wake them up to look around and see where they can buy the cheapest.

## FAMOUS AS OUR SALES ARE

we are not egotistical enough to think the public will patronize us as a compliment, nor are we foolish enough to believe they will buy of us through courtesy. We harbor no such delusions as these. The mere mention of a Special Sale without the special prices to back it is all bosh. We give below an insight same. Very respectfully yours, into what a tremendous sacrifice of profits our Special Sales mean, and we rely on these extraordinary prices to bring us an overflow of trade: Even Domestics, the regular prices of which | Ladies' Solid, Striped, and Unbleached Hose at | The seventy-five-cent All-Wool Black Batiste for | Colored Etamine Lace-Stripe Dress Goods at reso near cost, have been cut for this sale.
